

Explanatory Report of the Management Board on Takeover Disclosures in Accordance with section 315 (4) of the German Commercial Code (Handelsgesetzbuch – HGB)

Composition of subscribed capital, and rights and obligations attached to shares

The composition of Aareal Bank AG's subscribed capital is shown in Note 61 ("Equity") to the consolidated financial statements. Each share casts one vote at a General Meeting. There are no shares with special rights granting supervisory powers to any shareholder or shareholder group. The Company currently does not hold any treasury shares, which would not be entitled to vote.

Restrictions affecting voting rights or the transfer of shares

The transfer and exercise of voting rights is governed exclusively by the legal restrictions. Voting rights are not limited to a certain number of shares, or of votes. All shareholders who have registered to attend a General Meeting in good time, and who have provided the Company with evidence of their shareholding and their right to vote, are entitled to attend the General Meeting, and to exercise their voting rights from all shares held and so registered. The exercise of voting rights from the shares concerned is precluded by law in the cases where section 136 of the AktG applies. Where the Company holds treasury shares, section 71b of the AktG prohibits the exercise of rights vested in such shares. We are not aware of any other restrictions affecting voting rights or the transfer of shares.

Shareholdings exceeding 10% of voting rights

Details regarding any shareholdings exceeding 10% of voting rights are provided in Note 97 to the consolidated financial statements.

Shares with special rights granting the holder supervisory powers

Aareal Bank AG's Memorandum and Articles of Association do not grant any shareholder the right to nominate members to the Supervisory Board, nor are there any other shares with special rights granting the holder supervisory powers.

Type of control of voting rights regarding shares held by employees with their rights of control not being directly exercised

There are no Aareal Bank AG shares held by employees where the rights of control cannot be directly exercised.

Statutory provisions, and provisions in the Memorandum and Articles of Association regarding the appointment and removal of members of the Management Board, and regarding amendments to the Memorandum and Articles of Association

The appointment and removal of members of the Management Board of Aareal Bank AG is carried out in accordance with sections 84 and 85 of the AktG and Article 7 of the Memorandum and Articles of Association, according to which the Management Board must have a minimum of two members. The Supervisory Board shall appoint the Members of the Management Board and determine their number. The Supervisory Board may appoint deputy members, and may appoint one member of the Management Board to be the Chairman of the Management Board. The members of the Management Board are appointed for a maximum term of five years. This term of office may be renewed or extended for a maximum of five years in each case.

Pursuant to section 179 of the AktG, the Memorandum and Articles of Association may be amended by way of resolution passed by the General Meeting. Resolutions of the General Meeting regarding amendments to the Memorandum and Articles

of Association are passed by a simple majority of the votes cast, or – to the extent permitted by law – by the majority of the issued share capital present at the Meeting. In accordance with section 181 (3) of the AktG, such amendments become effective upon their entry in the Company's Commercial Register. In the event of a capital change, the Supervisory Board is authorised to modify the wording of the Articles of Association in line with the amount of the capital change (Article 5 (7) of the Memorandum and Articles of Association).

Authorisation of the Management Board to issue or repurchase shares

Authorised capital

The Annual General Meeting held on 23 May 2012 resolved to authorise the Management Board to increase, on one or more occasions, the Company's share capital by up to a maximum total amount of € 89,785,830 by issuance of new shares for contribution in cash or in kind; the Management Board is also authorised, within defined limits, to disapply pre-emptive rights, given the fulfilment of certain conditions. This authorisation will expire on 22 May 2017. When exercising this authorisation, the Management Board will restrict any exclusion of shareholders' pre-emptive rights to a total of 20 % of the Company's share capital. The authorised capital has not been utilised to date.

Conditional capital

The Annual General Meeting held on 21 May 2014 resolved to authorise the Management Board to issue, on one or more occasions, profit-participation rights with a total nominal amount of up to € 1,000,000,000, with a limited or an unlimited term, for contribution in cash or in kind. This authorisation will expire on 20 May 2019. Holder or creditor conversion rights may be attached to such profit-participation rights, provided they are not issued against contribution in kind. Conversion rights may be attached exclusively to no-par value bearer shares and are limited to a maximum amount of € 89,785,830 of the Company's share

capital. Issuance of profit-participation rights may also be effected by domestic or foreign enterprises in which the Company either directly or indirectly holds a majority interest. In such cases, the Company may itself assume guarantees and offer shares of Aareal Bank AG, subject to the approval of the Supervisory Board, in order to meet the resulting conversion rights. Subject to the approval of the Supervisory Board, the Management Board may exclude shareholders' pre-emptive rights for profit-participation rights in certain cases.

The issued share capital is subject to a conditional capital increase not exceeding € 89,785,830 by issuance of up to 29,928,610 new no-par value bearer shares ("Conditional Capital 2014"). The conditional capital increase shall be implemented only insofar as (i) the holders or creditors of conversion rights from convertible profit-participation rights issued by the Company (or by an enterprise in which the Company either directly or indirectly holds a majority interest) until 20 May 2019 on the basis of the Annual General Meeting's authorisation resolution of 21 May 2014 exercise their conversion rights or (ii) the holders or creditors of convertible profit-participation rights issued by the Company (or by an enterprise in which the Company either directly or indirectly holds a majority interest) until 20 May 2019 on the basis of the Annual General Meeting's authorisation resolution of 21 May 2014 and who are obliged to exercise those rights fulfil their obligation or (iii) the Company makes use of alternative performance; insofar as treasury shares are not used to service the rights or, in the aforementioned cases (i) and (ii), no cash compensation is granted. The new shares shall be entitled to a share in the profits from the beginning of the financial year in which they come into existence through the exercise of conversion rights or the fulfilment of conversion obligations. The Management Board is authorised to determine the details of the conditional capital increase.

Authorisation to purchase treasury shares

The General Meeting held on 20 May 2015 authorised the Management Board, pursuant to section 71 (1) no. 7 of the AktG, to purchase and sell

treasury shares for the purposes of securities trading, at a price not falling below or exceeding the average closing price of the Company's share in Xetra trading (or a comparable successor system) during the three trading days on the Frankfurt Stock Exchange prior to the relevant transaction by more than 10 %. This authorisation expires on 19 May 2020. The volume of shares acquired for this purpose must not exceed 5% of the issued share capital of Aareal Bank AG at the end of any given day.

Furthermore, the General Meeting held on 20 May 2015 authorised the Management Board, pursuant to section 71 (1) no. 8 of the AktG, to purchase treasury shares with a volume of up to 10 % of the issued share capital for purposes other than securities trading. This authorisation expires on 19 May 2020. Such purchases may be effected via stock exchanges or public purchase offers made to all shareholders, taking into account the prices as specified in the respective Annual General Meeting's resolution, which are in turn based on the Company's stock exchange share price. The authorisation may be exercised on one or more occasions, covering partial amounts or the maximum amount.

Subject to the approval of the Supervisory Board, the shares acquired under this or an earlier authorisation may be sold outside stock exchanges and without an offer to all shareholders, thereby excluding shareholders' pre-emptive rights, provided that the shares sold do not exceed the threshold value of 10 % of the Company's share capital and that the issue price is not significantly lower than the stock exchange price, or if the sale of such shares is made against contribution in kind, or if the shares are given to the holders of conversion or option rights, even if they had been issued by subsidiaries. The treasury shares may also be given to the holders of conversion or option rights in lieu of new shares from a contingent capital increase. The shares can be withdrawn, without this withdrawal or its implementation requiring a further resolution by the Annual General Meeting.

In addition, the Management Board was authorised to purchase treasury shares using put or call options. However, any and all share purchases involving the use of derivatives shall be limited to a maximum threshold value of 5 % of the Company's share capital. Moreover, such share purchases shall be taken into account with the 10 % threshold value for the purchase of treasury shares as specified in the Annual General Meeting's resolution. Where treasury shares are acquired using equity derivatives, the shareholders' right to enter into any option transactions with the Company is excluded in analogous application of section 186 (3) sentence 4 of the AktG.

Material agreements which are subject to change of control clauses triggered in the event of a takeover offer

There are no material agreements which are subject to change of control clauses triggered in the event of a takeover offer. Any public offers to acquire the Company's shares are governed exclusively by the law (including the provisions of the German Securities Acquisition and Takeover Act), and the Memorandum and Articles of Association.

Compensation agreements entered into with members of the Management Board or employees in the event of a takeover offer

For details regarding compensation agreements entered into with members of the Management Board or employees in the event of a takeover bid, please refer to the Remuneration Report, which forms part of the Notes to the consolidated financial statements.
